Dear Business Owner/Manager:

It is that time once again! On Tuesday, October 5, 2021, the Covina Police Department is hosting our **"National Night Out"** event. National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie. At the Covina Police Department, we look forward to this event because officers get a chance to meet residents of the community we serve in a fun and family-oriented environment. Our goal is to provide fun filled activities for all community members to enjoy.

The Covina Police Department, will be hosting the event at Heritage Plaza directly in front of the police department building. This event will have music, food, public safety information, children's activities, games, and more. You will be able to take station tours, checkout our police vehicles, and watch police demonstrations. We would love to have you join us.

To help thank those within the community who are participating in this year's NNO, we are requesting financial donations. To make your donation more visible, we are pleased to recognize your company's Platinum, Gold, or Silver donation, on our marketing material for this community event. In order to meet our printing needs, please support us with your donation by September 1st. All sponsors can email their company logo to my email listed below.

If you have any questions or would like more information, please contact me at (626) 384-5663. You can also send an email to jturner@covinaca.gov.

Thanking you in advance for your generous support!

Sincerely,
